CAMP SCHOLARSHIP INFORMATION

Dear Pastor or Camp Coordinator,

The purpose of these conference scholarships is to promote ethnic and economic diversity among campers. Most camp scholarships cover 1/2 of the cost of the camp. Special considerations can be made in situations that exhibit great need.

Churches are encouraged to provide partial funding of the camp cost, with the remaining portion covered by the camper's family.

Scholarships will be awarded May 15th. Scholarships will then be provided as long as funds are available.

Send scholarship applications with the camp registration/health form and registration fee, as soon as possible to the main camping office:

Dakotas UM Camping
P O Box 460
Mitchell, SD 57301

If you have any questions about applications for scholarships, please contact the main camping office at 605-996-6552.
